

Important travel requirement for French mariners & yacht clubs

From 23 April 2026, visitors to the UK and Channel Islands will need an Electronic Travel Authorisation (ETA)

Guernsey Marinas is advising visitors from outside the Common Travel Area that they require an ETA before travelling to Guernsey by private vessel, including yachts and pleasure craft.

An Electronic Travel Authorisation is required for anyone visiting Guernsey, the Channel Islands, or the UK by private boat for up to 6 months.

Applications can be completed online and cost approx €23.

An ETA is valid for 2 years, or until your passport expires.

All visitors must have a valid passport.

Each traveller must have their own ETA, including children.
